

Rely On Dr. Briglia

BOARD CERTIFIED PEDIATRICIAN
NOW AT KIDS CARE IN EGG HARBOR TWP

RELIANCE DELIVERS THE BEST FOR YOUR KIDS!

Reliance is proud to welcome Frank A. Briglia, MD, MPH, FAAP, to our Kids Care Pediatric Practice with longtime area pediatrician Dr. Barry Kessler.

Dr. Briglia has been practicing as a pediatric specialist for 30 years. His clinical and administrative skills are multifaceted, as he has worked in hospitals as well as in outpatient and inpatient rehabilitation settings. He has expertise in chronic illness management with a focus on children with special needs. Dr. Briglia will establish a Chronic Illness Management and Diagnostics (CIMD) program for Reliance Medical Group Pediatrics, which initially will be a part of Kids Care in Egg Harbor Twp.

For an appointment call (609) 645-8500.

Most insurance plans accepted and fixed fee-for-service for patients without insurance.

Hermit crabs go racing in Brigantine

Hermit crab racers cheered for their crabs during the hermit crab race recently at the Brigantine branch of the Atlantic County Library System.

Brigantine resident Will Snyder, 3, showed off his hermit crab named William, and his brother A.J. Snyder, 4, showed his hermit crab A.J. during the hermit crab race in Brigantine.

Erin Baldwin, 9, and her sister Megan, 10, of Brigantine took first place with hermit crab Clover during the race at the city branch of the Atlantic County Library System.

Sophia Spencer, 10, of Brigantine, with hermit crab Shelly, was ready to race.

Brigantine resident Will Hazzard, 10, held his hermit crab Lady Crab.

STROKE? STRIKE BACK.

• THE LEADING STROKE CARE IN THE REGION. •

At Bacharach, our CARF-accredited stroke program is one of the most comprehensive in the region. We offer an interdisciplinary approach led by a doctor of physical medicine. Along with our skilled therapists, we offer a range of advanced, state-of-the-art treatments, including VitalStim®, Bioness®, aqua therapies, unweighted gait training, Saebo-Flex®, spasticity management and stroke support groups. Together, we help patients make faster and more complete recoveries – consistently exceeding the national benchmarks. So if a stroke strikes, think fast. Think Bacharach.
